Training & Recruitment Division Monthly Report

October 2016

Initiative	Conditions (Done)	Actions (Doing) & Needs	Backlog
Training Plan & Schedule (Helm) Completion by 12/31/16	<ul style="list-style-type: none"> • List of Member Certifications • Qualifications requirements by rank and role 	<ul style="list-style-type: none"> • Author introduction, need coaching and collaboration with Chief Hartin • Training requirements • Current state of training • Training program SWOT 	<ul style="list-style-type: none"> • Gap analysis • Delivery system • The way forward
Marine Response Training (Helm & Meek) SOG complete by 12/30/16	<ul style="list-style-type: none"> • Overview & characteristics • Overview and characteristics curriculum development • Operational characteristics & limitations training • Maintenance procedures training • Trailering and launching • Marine Rescue Academy • Trailering and launching curriculum development, first draft of documentation and skill sheets completed. 	<ul style="list-style-type: none"> • Marine Rescue standard operating guideline (SOG) (Meek) 	

CENTRAL WHIDBEY ISLAND FIRE & RESCUE

<p>Blue Card Implementation (Hartin) Phase 2 Completion by 8/31/16 Phase 3 Completion in 2017</p>	<ul style="list-style-type: none"> • Complete simulation lab (CMD) • CDO completed sim lab • On-line training Phase 2, all members complete • Portable radios & programming for the sim lab • Schedule simulation labs (April, May, June) • Sim lab configuration, TV stand • Final draft SOGs • Schedule simulation lab • Complete 10-Minute Training documentation • Complete Phase 2 simulation labs 		<ul style="list-style-type: none"> • On-line training Phase 3 • Complete Phase 3 sim labs (D/Vol)
---	---	--	---

Pending Initiatives

Other Accomplishments/Activities

- Training RMS (Hartin/Helm)
- Firefighter & Crew Leader FTEP (Helm)
- Marine Response Training (Helm/Meek)
- Initial Entry Training Program (Helm)
- Integrated Rank and Role Career Path (Helm)
- Individual and Crew Performance Standards (Helm)
- Out of District Volunteer Opportunities (Helm/Hartin)

Learning Activity: Total learning hours are being collected and analyzed to determine appropriate metrics to provide data to the Washington Survey and Rating Bureau (WSRB) and for internal assessment of the training program.

Shift	Shifts with 1 hour or less	Total Hours	Average Hours Per Member	Target
A	0	83.5	3.97	
B	1	73.45	6.67	
C	1	43	3.30	
Volunteers	0	34	1.6	
All Members	2	233.95	3.54	

Recruitment Activity:

- Grant processes moving along, received a work plan and marketing material from VWFS along with online recruit tracker. Monthly reports are due to them regarding numbers, gender, ages of all recruits entering the process.
- Volunteer Applicants in the process:
 - 10- On call (within the District) volunteers
 - 13- On duty (outside the District) volunteers

23- Total!

Accomplishments:

- Completed an analysis on Target solutions on line learning and training tracking software. Will be launching the start date in conjunction with South Whidbey Fire & EMS on Jan 1 2017 Departments will be linked to allow sharing and consistency of material being delivered.
- Completed a month of Driver training in September, Will be finishing the training with the delivery of the rodeo portion in October. When complete, 3 new tender operators, 2 new Engine operators, and 2 new Light apparatus operators will be certified.
- CAPT Helm will be attending Blue Card Instructor course 10/24-10/28

Fleet Maintenance Division Monthly Report

October 2016

Initiative	Conditions (Done)	Actions (Doing) & Needs	Backlog
Fleet Maintenance SOG (Matros) (NFPA 1911/Pump Testing) Complete by 9/30/16. Pump testing dependent on availability of testing company.	Pump Testing and Ladder Testing completed on 9/27/16		<ul style="list-style-type: none"> • Purpose, Scope, & Policy • Procedure for Fire Apparatus • Procedure for Staff Vehicles
EVT Training & Certification (Matros)	Passed E0 – Inspection & Testing of Ambulance’s Passed E1 – Ambulance Design & Performance	Studying for E2 and E3 along with ASE A4 and A9 tests.	
Mobile Repair Vehicle Up Fit (Matros) Complete by 10/30/16		Install new apparatus body floor	<ul style="list-style-type: none"> • Install oil tanks • Install fluid hose reels

Pending Initiatives	Other Accomplishments/Activities
<ul style="list-style-type: none"> • Continuous Improvement (Matros) • Improve Parts Inventory System (Matros) 	<p>Fleet Maintenance Activity:</p> <ul style="list-style-type: none"> • Pump testing and ladder testing was completed for the entire fleet. • E-51 Repaired the pump engagement valve. Serviced the pump transmission. • E-512 Received PM pump transmission service. • E-53 Vehicle went to Main Street Collision for cracked welds on the hose bed cover and rear bumper. These repairs were covered under the body and structure warranty. The apparatus also received body work repair to the area just in front of the officers front door due to the door being hyper extended in the wind. The air auto eject also needed repair due to an operator not confirming hose release and driving out of the bay. • E-54 Replaced the officer’s side pre-connect ball valve due to wear. Serviced the pump transmission. • R-51 Valve stem was broken off during vehicle inspection. Brought inside dual to Les Schwab for repair. Brought vehicle to Main Street Collision for cracked weld repair on the driver’s side first compartment door. • T-54 Brought mobile radio to Jon Beck for programming. Installed mobile radio in apparatus. • T-51 Started the 1911 annual inspection process. • FF/Mechanic Matros is working with Derik Vrable to install electrical line from ceiling to E-512 at St-51. <p>Pending Activity: Install open Compartment door warning system on B-53 and B-54.</p>
