IN THE MATTER OF

Establishing an emergency medical services
coordinated quality improvement program

Resolution 20-03

WHEREAS, The Central Whidbey Island Fire & Rescue Board of Fire Commissioners has adopted organizational values including professionalism and excellence; and

WHEREAS, The Board of Fire Commissioners is committed to continuous improvement of the quality of service provided by the district and its internal processes; and

WHEREAS, Chapter 246-50 Washington Administrative Code Chapter establishes the requirements for approval of coordinated quality improvement programs by the Washington Department of Health; and

WHEREAS, The district desires to ensure confidentiality of information and documents specifically created for, collected, and maintained for emergency medical services quality improvement committee and that this information and these documents are exempt from disclosure under chapter the provision of 42.17 Revised Code of Washington.

THEREFORE, BE IT RESOLVED THAT:

The CWIFR Board of Fire Commissioners directs the fire chief to establish a coordinated quality improvement program, gain and maintain approval for said program from the Washington Department of Health, and provide semi-annual reports on the district's emergency medical services quality improvement program to the board of fire commissioners at the end of the second and fourth quarters of the calendar year.

ADOPTED by the Board of fire Commissioners of Central Whidbey Island Fire & Rescue, Island County Washington at a regular meeting this 12th day of March 2020.
