

To the editor:

I want to thank the community for their support of our fire levy lid lift in the November general election. Because of you, we will fund additional emergency personnel to keep up with higher call volumes. This will also allow us to put both a fire engine and a basic life support medical unit into service at the same time.

We're grateful for your partnership in helping us save lives and property. We will continue to report back to you as we make progress on the projects we promised.

Thank you,

Fire Chief Jerry Helm
